GROTTO WELLNESS SPA SIGNATURE TREATMENT

OBSIDIAN RENEWAL RITUAL

Experience the ultimate indulgence with our Obsidian Renewal Ritual, a blissful journey that combines three transformative elements: body exfoliation, mineral mist rasul and a combination of wood and obsidian heated stone therapy massage. Begin your rejuvenating experience with a luxurious body exfoliation, where gentle yet invigorating techniques are employed to eliminate dull, lifeless skin cells followed by a hot shower to induce deep calm and relaxation.

Next, envelop yourself in a selection of nourishing body masks in the heated rasul room and surrender to the soothing sensations as the body mask infuses your skin with essential nutrients, restoring its natural vitality and luminosity. After a rain shower rinse off, immerse yourself in a state of absolute relaxation while our highly trained therapists utilize a combination of wood therapy and obsidian heated stone massage techniques.

This therapeutic massage stimulates improved circulation, aids in lymphatic drainage, and enhances overall well-being, leaving you feeling revitalized and invigorated. This signature treatment is an exceptional and all-encompassing experience, designed to elevate your senses, rejuvenate your body, and nourish your soul.

Embark on this extraordinary journey of indulgence, and emerge feeling renewed, revitalized, and deeply relaxed.

SKIN TREATMENTS

FACIAL THERAPY

Indulge in our exquisite range of facial treatments, meticulously crafted to cater to the unique needs of your skin. Each treatment is carefully personalized to address your specific concerns and desires, ensuring a truly bespoke experience. To embark on your skincare journey, we recommend scheduling a professional consultation with our knowledgeable skin care therapist. During this consultation, you will receive expert guidance to determine the ideal advanced treatment upgrade that will complement your chosen facial, optimizing the results and benefits tailored to your individual needs.

BODY TREATMENTS

SELF-HEATING BODY BUFF

Revitalize your body with our luxury self-heating body exfoliation. Our sugar-based heating formula gently exfoliates to improve circulation whilst leaving your skin smooth and soft. Boost your body and embrace a renewed sense of vitality.

30 mins

R 400

LIGHT LEGS TREATMENT

Begin with an invigorating exfoliation to stimulate circulation and prepare the skin for deep absorption of potent active ingredients. Incorporating alternating hot and cold sensations, this treatment promotes better lymph flow and intensifies detoxification.

A vigorous massage with sweet fennel oil aims to soften stubborn fat cells and eliminate toxins. Conclude with the application of an orange & ivy contour cream, enriched with firming ingredients that activate skin firmness and promote lipolysis.

The perfect treatment to relieve water retention or reduce the appearance of cellulite.

45 mins

R 650

CELLULITE MELTING WRAP

Experience the transformative power of a cellulite melting wrap, a result of intensive research and development. This stimulating and fast-acting treatment is specifically formulated to target cellulite and promote firmness. It's crucial to recognize that cellulite is a skin disorder, not a fat disorder. Our focus is on correcting the skin's dimpled appearance, resembling an orange peel. The treatment follows a carefully orchestrated sequence which must be followed in the correct order and at the appropriate timing for optimal effectiveness. Let us guide you through this remarkable treatment that aims to address the skin concern of cellulite, unveiling smoother and more toned-looking skin.

60 mins

R 850

BODY COCOON WRAP

Commence your journey with an exhilarating exfoliation, boosting circulation and priming your skin for optimal absorption of potent active ingredients. Experience the dynamic contrast of alternating hot and cold sensations during the cocooning wrap, enhancing lymph flow and intensifying circulation for a revitalizing effect. The last memory is a gentle spritz of mandarin and sandalwood dry body oil that delicately envelops you, leaving your skin irresistibly soft and rejuvenated.
